

Working Together, Playing Together: **West Denmark Family Camp 2022**

West Denmark Family Camp is a cooperative effort. Family Camp gives us the opportunity to work together and play together as a community. In this spirit, consider what you and your family can do to make Camp work as light as possible and Camp play as fun as possible. Here are some opportunities:

Participation

- ***Come to the Pre-Camp Social on June 30*** -- At 6 p.m., everyone is invited to a casual pre-Camp social outside and behind the Hall. Root beer floats and good conversation provided!
- ***Prepare a Special Interest Presentation or Activity for one of the days of Camp (4 pm)*** -- This might be a topic for discussion, a presentation of your hobby, a nature walk -- anything you wish to present to other interested Campers.
- ***Sign up for KP*** -- If you eat meals at Camp, please sign up for the Dining Crew (KP). The sign-up sheet will state where and when you should arrive for KP duties for outdoor dining.
- ***Sign up for Coffees*** -- If you do not eat meals at Camp (or if all the meal KP slots are filled), please sign up for one of the three coffee times. The sign-up sheet will state where and when you should arrive for coffee duties.
- ***Participate in a skit*** -- Skit lists will be posted Friday morning (July 1), and performances will be Saturday and Sunday evenings (July 2 & 3). Family Camp skits are a safe and fun way to explore your creative talents and enjoy plenty of laughter.
- ***Volunteer to be a Skit Leader*** -- You don't have to create the skit. Just announce the names of those in your group, set some meeting times and locations, and assist the group in developing an idea. Often, a skit idea comes from something that has happened, been presented, or been discussed, at Camp.
- ***Sign up for Open Stage*** -- Share your talent on Saturday or Sunday evening (July 2 or 3) with, for example, music, a reading, or some other activity. Groups and solos welcome. Please limit your sharing to 1 piece or a maximum of 5 minutes.
- ***Help out where needed*** -- If you become aware of a problem at Camp, please bring it to the attention of a Committee member. Or if it's something minor and you are able to take care of it yourself, please do so.

Conservation

- ***Bring your own cup or water bottle*** to use at meals and coffee times and throughout the day. Stay hydrated!
- ***Be mindful of your water usage*** as you go about your Camp activities -- every effort helps.
- ***Be scrupulous about putting recyclables, trash, and food waste in their proper containers.***
