

West Denmark Lutheran Church
2478 170th St., Luck, Wisconsin 54853

July 26, 2026

Dear Members of West Denmark Lutheran Church,

The Council of West Denmark Lutheran Church has called a special meeting of the congregation for August 9, 2026, directly after the Worship Service in the sanctuary of the church.

The sole item on the agenda for the special meeting of the congregation is to act upon a recommendation from the Council to extend a Letter of Call to a pastoral candidate to be the rostered pastor of this church. This is a part-time position (20-27 hours per week) with a concentration on worship, pastoral care, youth, and community involvement. This pastor, if called, will join Christy Wetzig, Liz Dodge, Nikki Strandskov, Harry Johansen, Chris Johansen, and Chuck Parsons on the shared ministry and music team. The Council's recommendation was made after conferring with the members of the Call Committee who completed a discernment process which included interviews with the candidate.

The name of the candidate will be disclosed at the special meeting. The candidate has asked to remain anonymous until that time. However, there is an enclosed biographical sketch of the pastoral candidate.

At the meeting, the Call Committee will share with the congregation a description of their work as a committee and the reasons for the recommendation of this candidate. The Letter of Call and the compensation package details will be shared at the congregational meeting as well. For the candidate to be successful, he must receive a 2/3 majority from the voting members at the meeting. In order to vote, one has to be a member of West Denmark Lutheran Church although the meeting is open to all.

Please hold our congregation in prayer as we make this important decision and for the candidate who discerns whether God is calling him/her to accept this position.

Yours in Christ,

Terry Speiker
President of the Congregation
